ORDER:

In the reference read above, the Director of Insurance Medical Services (I/c), Telangana State, Hyderabad has stated that Govt., in G.O.Rt.No.1099 LET&F (IMS) Deptt Dt.24.09.2010 have enhanced capitation fee from Rs.120/- to Rs.250/- and permitted the Director Insurance Medical Services to release the capitation fee to Insured Medical Practitioner of Panel clinics @ Rs.250/- per Insured family unit per annum. Further stated that ESI Corporation New Delhi vide letter dt.29.08.2014 under the decision taken by ESI Corporation in 162nd meeting held on 31.07.2014, Capitation fee i.e., package remuneration per IP family per annum is enhanced to minimum Rs.300/- which includes primary health services, minimum Rs.25/- for investigation facilities of urine albumin, Sugar, Haemoglobin and Blood Sugar and cost of engaging supportive staff. While preferring the amount for claim towards payment of capitation fee to the existing Panel doctors, the Treasury and Pay and Accounts Officers are insisting for Government Order as was given in G.O.Rt.No.1099 LET&F (IMS) Deptt, Dt.24.09.2010 for enhanced capitation fee from Rs.250/- to 300/- per Insured family unit per annum.

2. The Director of Insurance Medical Services, (I/c),Telangana State, Hyderabad has further stated that ESI panel doctors are appointed where are no permanent ESI dispensaries in the area and are monitored by the Joint Director of Insurance Medical Services under their jurisdiction. In most of the cases, no MBBS doctor is coming forward to serve with a meager capitation fee of Rs.250/- and therefore DIMS is unable to provide services in such areas and there will not be any burden on State exchequer towards enhancement of capitation fees from Rs.250/- to Rs.300/- payable to Insured Medical Practitioner and the expenditure will be met within the budget provision and requested the Govt., to release the orders duly enhancing capitation fee payable to Insured Medical Practitioner from Rs.250/- to 300/- per Insured family unit per annum as the expenditure will be met within the budget provision allotted to them.

3. Government after careful examination of the proposal hereby accorded permission for enhancement of capitation fee from Rs.250/- to Rs.300/- payable to Insured Medical Practitioner per Insured family unit per annum.

4. This order issues with the concurrence of Finance (EBS.X) Department vide their U.O.No.11495/228/A2/EBS.X/2016 Dt.16.09.2016.

5. The Director of Insurance Medical Services, (I/c), Telangana State, Hyderabad shall take further necessary action in the matter accordingly.
